About us

Rastry Prodyogik Prashikshan Sansthan (RPPS) is working under the aegis of skill development program formulated by Government of India. RPPS has been formulated with the copration in the form of Registration inThis body has been facilitated with Copyright Office in the domain of a professional institute ruled by..... The Ministry of Micro small and Medium Enterprises, Govt of India has given us the registration as an Aadhaar Memorandum to ensure quality services in small and Medium Scale Industries in rural and semi urban areas. All India Information Teachnology, has been associated with RPPS has been Certified as an NBQP Member with quality Council of India for its promotion as an Professional Institute providing Skill traning as per the norms and guidelines followed by Rastry Prodyogik Prashikshan Sansthan (RPPS) has been endorsed with Colloborative Traning Programme with.....

Vision

UNDER RPPS, trainees with prior experience or skills and competencies will be assessed. This will be an important step towards recognizing the skills possessed by workers in the informal sector and their inclusion. This will also facilitate the process of skill upgradation and re – skilling of the existing workforce. The focus of RPPS would be on those job-roles/sectors in which it is most desired and it will be accompanied with a strong advocacy campaign to promote a paradigm shift in the labour market to make skill traning to standards aspirational.

Mission

The Mission of RPPS is to fill Skill gap prevailing in Informal Sector and Unorganised Market in India. Since its inception, RPPS is primarily engaged in the areas of Skill development and traning, development of models and teaching methodologies to strengthen the non formal education sector, services dissemination across semi urban and rural, all of which are aimed at achieving an objective of adderessing the skill gaps pertinent to the emerging needs of a rapidly growing economy.

Firemen Course (FMC)

A Fireman is charged with duties ranging from saving lives to keeping firefighting equipment clean. At a moment's notice, a fireman must be ready to perform job functions such as rescuing people or animals from burning or collapsed buildings, fighting fires and providing emergency medical assistance.

Firemen also work with police, provide general assistance at accident & crime scenes. Firemen who aid in controlling & extinguishing forest fires sometimes parachute into areas vehicles can't reach and assist in creating and maintaining fire lines. Other common duties include:

- Carrying Hoses.
- Climbing ladders.
- Hooking hose up to hydrants.
- Breaking through walls.
- Protecting those in danger due to fire.
- Ensuring integrity of the property ablaze.

Syllabus

Course Content)

- Physically Trained
- Unarmed Drill (Parade)
- Rescue First-Aid
- Maintenance.
- Fire Safety :-
 - i. Fire Science
 - ii. Fire Prevention.
 - iii. Fire Protection.
 - iv. Fire Service Operation.
 - v. Fire Brigade Equipment.
 - vi. Fire Service Administration.

Eligibility & Admissions

- a) Passed 10th class Examination.
- b) Physically Fit-A registered MBBS doctor must certify that the candidate is medically fit to undertake the course.
